## **The State of New Hampshire**

**The Polls will be open from 10:00 a.m. to 6:00 p.m.  
to vote on Articles 1 and 2. Balance of Articles to be  
taken up on Friday, March 14, 1980, at 7:30 in the afternoon.**

To the Inhabitants of the Town of Lyndeborough in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Citizens' Hall in said Lyndeborough on Tuesday, the eleventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

### **Article 1.**

To choose all necessary Town Officers for the year ensuing.

### **Article 2.**

To see if the Town will vote that on the expiration of the term of the Road Agent elected at the Annual Meeting of the Town in 1980, the Selectmen be and hereby are authorized to hire by job description a Road Agent in accordance with the Revised Statutes Annotated as amended. (By Petition)

### **Article 3.**

To hear reports of all Town Officers, Agents, and Committees, or take any vote relative thereto.

### **Article 4.**

To see if the Town will vote to authorize the Selectmen, and Town Treasurer to borrow sums of money in anticipation of Taxes.

### **Article 5.**

To see if the Town will vote to authorize the Selectmen to accept gifts and/or Federal or State Aid in the name of the Town of Lyndeborough.

### **Article 6.**

To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same.

Article 7.

To see if the Town will vote to make Mountain Road one way in a southeasterly direction from the Broman Residence in the Town of Lyndeborough to the intersection of Lyndeborough Road in the Town of New Boston, or act in relation thereto.

Article 8.

Shall we adopt the provisions of RSA72:62 for a property tax exemption on real property equipped with a solar energy heating or cooling system, which exemption shall be in an amount equal to the assessed valuation of the solar heating or cooling system.

Article 9.

To see if the Town will vote to discontinue that segment of the old Town Road known as Fuller Road which runs northerly from the northerly side of Pinnacle Mountain Road through the premises of Dr. and Mrs. Edward B. Hager (the old Kent-Williamson property), partly along the westerly boundary of land of S. May, past the Hager house, to the end of said road at the border of the Hager property, the purpose of this vote being to discontinue all that portion of the Fuller Road, which lies within said Hager property, wherever the road might lie, or take any other action relating thereto. (By Petition)

Article 10.

To see if the Town will vote to designate Brackett's Cross Road as a scenic road as defined by NH RSA 253-17 as amended in 1973 by Chapter 586 (Senate Bill #50). (By Petition)

Article 11.

To see if the Town will vote to raise and appropriate the sum of seven thousand, two hundred dollars, (\$7,200.00) to continue the preparation of the Tax Map, and authorize the withdrawal of Three Thousand, eight hundred dollars, (\$3,800.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act, of 1972, with the balance to be raised by taxation.

Article 12.

To see if the Town will vote to raise and appropriate the sum of thirty-one thousand, nine hundred fifty dollars, (\$31,950.00), to include principal and interest, to repair Whiting's Bridge, and to raise said sum by serial notes or bonds, or take any action relative thereto.

Article 13.

To see if the Town will vote to ratify and confirm deeds issued by the Board of Selectmen on behalf of the Town pursuant to a vote of the 1967 Town meeting authorizing the Selectmen to administer property acquired for nonpayment of taxes.

Article 14.

To see if the Town will vote to authorize the Selectmen to convey property acquired by the Town by Tax Collector's Deed by Public Auction or advertised sealed bid, or in such other manner as determined by the Selectmen as justice may require.

Article 15.

To see if the Town will vote to authorize the Selectmen to contract with a data processing firm for the maintenance of Town Records.

Article 16.

To see if the Town will vote to accept the following sums of money to be used for Trust Funds:

\$200.00 from Louise E. Foster, the interest to be used for the perpetual care of the C.A. and Maude M. Eastman Cemetery Lot.

\$580.00 from the Family and Friends of Bessie Holt, the interest to be used for books for the J.A. Tarbell Library.

\$120.00 from Barbara M. Shinn, the interest to be used for the perpetual care of the Barbara M. and William D. Shinn Cemetery Lot.

Article 17.

To see if the Town will vote to accept the Budget as prepared by the Budget Committee, or make any alterations thereto.

Article 18.

To transact any other business that may legally come before said meeting.

Given under our hands and seal, this thirteenth day of February, in the year of our Lord nineteen hundred and eighty.

## SELECTMEN'S REPORT - 1979

This has been a year of rising inflation and needless to say the past year's expenditures reflect the increased cost. After due consideration, and with the Budget Committee's approval, the Board requested and received from the Department of Revenue Administration approval for a \$5,000.00 over-expenditure. We are pleased that due to decreased winter costs the over-expenditure was not necessary.

Because of the delay in the delivery of the new truck, the \$25,000. appropriated for it was not borrowed in 1979, but will be during 1980.

The contract for the Tax Map has been awarded to the SLF Co. of Skowhegan, Maine. The work will begin this spring after most of the snow has gone.

As you all know, it takes an increasing amount of time to conduct town affairs because of the increased paper work as well as needing more time to conduct our own family business. To make the operation of our office more efficient, we are asking the Town's permission to computerize some of the Town records.

Lyndeborough is in the throes of growth, and while we have thus far escaped the difficulties of rapid uncontrolled growth due in part to the fine efforts of the Planning Board and the Board of Adjustment we are still faced with continued escalating demands brought on by expansion.

It is fortunate for us that, as in many towns, there are dedicated men and women and young people, that keep things going.

Friends and neighbors, working with the many Church and civic groups, boards and committees, are helping our children to become better citizens. All of us are the better for their efforts. The Youth of today will be the leaders of tomorrow. Those of us that are in Town Government appreciate the effort.

It is important not only to you as individuals, but to us as your elected and appointed officials, that you take the time to attend meetings and express your feelings, whether you agree or not. Some times when a hearing has been posted for your interest, the only ones that come are on the board or the committee involved, and

this is after considerable preparation by your fellow citizens. Only by your active participation will we achieve what you want.

We are constantly refreshed by the expression of those around us, not because you agree or disagree, but simply in the very act of expression.

The year coming will perhaps be more difficult than the one just passed. With your cooperation and consideration the difficulties will be lessened.

Respectfully submitted,  
THEODORE D. ROCCA  
ROBERT H. ROGERS  
ROBERT E. LEVESQUE  
Selectmen of Lyndeborough

## REPORT OF THE BUDGET COMMITTEE

During 1979 the Budget Committee met quarterly to review Town and School expenditures. At the end of the third quarter it became apparent that overexpenditures in the highway department, town poor and old age assistance accounts were possible. The library also requested additional funds as it was determined that the entire roof should be replaced.

A request was made to the Department of Revenue Administration for an emergency overexpenditure of five thousand dollars which was granted. Fortunately, through the help of Mother Nature and efforts of the Selectmen, the additional funds were not needed.

The Budget Committee met twice with each department to prepare the 1980 budget. Meetings started in early December and continued to the Public Hearing on February 6. The accounts which presented the most problems are listed below with Budget Committee comments:

1. The Highway Department's request for Town Maintenance showed a 26 percent increase which was deemed excessive. It was decided by the committee that the Town Maintenance and General Expense accounts be held at last year's level until the (new) Road Agent presents a detailed breakdown of proposed work and expenses to the Budget Committee for review at the first quarterly review in April.

2. The Whiting's Bridge repair request has to be addressed by the town once more. The bridge has deteriorated further and now has a 10 ton limit. The committee feels that the work should be done this year as further delay could cause undue problems to the Southwest section of the Town should the bridge deteriorate further.

3. The Lyndeboro Central School Board has requested \$2500 to hire an architect to draw up plans for alterations and/or additions to the present building. Money has been placed in the account to keep it open for a town decision. No recommendation is submitted by the Budget Committee.

The Budget Committee wishes to thank the Selectmen and Departments in trying to comply with all the requests of the Budget Committee. With continued cooperation we should be able to hold future tax increases down to an absolute minimum yet continue to keep town services at a reasonable level.

Respectfully submitted,

KENNETH E. HALL, Chairman

## LYNDEBOROUGH FIRE DEPARTMENT

### 1979 Report

The Lyndeborough Fire Department responded to 42 alarms which are broken down into the following categories:

Chimney Fires	9
Mutual Aid	9
False Alarms	10
Brush Fires	3
Electrical Fires	3
Miscellaneous	8

This is an increase of 50% compared to the number of alarms responded to last year, and this is due mostly to an increase in chimney fires. Without exception, these chimney fires were the result of improperly installed or poorly maintained chimneys and flues.

Heating with wood is here to stay, and those of us who choose to use this method of heating our homes must be aware of the dangers and be responsible for the maintenance. This means frequently checking all parts of the wood burning apparatus and cleaning whenever necessary. Ask your Fire Department. We would far rather help you check your wood burner on a Saturday afternoon than respond to your fire alarm at 2 a.m. some cold winter morning. A word to the wise!

A brief status report for the close of 1979: The department has 24 active members and meets twice a month plus additional meetings for work details, totaling 39 evenings donated by the members last year in addition to answering actual fire alarms. Fire station improvements included painting the outside and insulating the entire ceiling. (The walls are next.) All 5 pieces of fire apparatus are in good running and generally in better condition than ever before.

The Auxiliary provided us with a safety bar for the back of the Ford truck which was most appreciated. The Auxiliary is also providing a fire awareness program for the Lyndeborough Central School.

Finally, I would like to thank the people of Lyndeborough for their continuing support; it's nice to know that we are appreciated.

See you at the Firemen's Ball!

Respectfully submitted,  
EDWARD M. ABBOT, Fire Chief

## FOREST FIRE WARDEN'S REPORT - 1979

There was only one brush fire in Town this past year. That was caused by the railroad. Being a wetter year than ordinary the fire incident was not acute. This year of 1980 could be the worst year for woods fire in many years, due to the lack of snow cover. Please get your incinerator permit as soon as the snow is gone. All outside fires need a fire permit. There is not supposed to be any fires between the hours of 9 a.m. and 5 p.m. except on rainy days. Please be careful of all fires.

## *Forest Fire Warden and State Forest Fire Service*

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

## **LYNDEBOROUGH POLICE DEPARTMENT FOR 1979**

The past year was a busy one for the Lyndeboro Police Department, with the number of calls increasing from the previous year. The addition of several new special officers helped keep the town covered for most of the incidents which required police assistance. Thank you to these officers for making themselves available when the occasion arose. Increased police activity meant an officer was provided at the scene of most fire and ambulance alarms, and the town should be aware of the spirit of co-operation these departments displayed. Thanks to the heads of these groups and their volunteers. In response to numerous complaints by townspeople, 1979 saw extensive use of a radar unit to slow down traffic. The department urges citizens to continue their concern over keeping Lyndeboro's roads safe and accident-free, and hopes to extend coverage in this direction next year. Thanks are due also to Base 500 dispatch in Wilton for their fine services; to the Lyndeboro Selectmen for their co-operation; to B&W Auto Body and Sheldon Automotive in Milford for putting the cruiser in excellent shape; to the surrounding towns for their occasional mutual aid; and to all those individuals who directly or indirectly aided in improving the growth and potential of the police department.

Also - a reminder to please make use of the 911 number to call in for the police.

Respectfully submitted,  
JOHN F. HYDE JR., Chief of Police

## 1979 LIBRARIAN'S REPORT

Mrs. Bessie Holt, our honorary trustee, passed away at the age of 95. The family and friends started a trust fund in her memory. The Improvement Society also gave four book-cases in her name, two for under the window in the young folks' room and two for display of books in the adult room.

The trust fund for Mr. William Shinn was combined with that of his son, Captain William Shinn.

Books were given in memory of Mrs. Judy Nye — a Scott Stamp Book by friends and neighbors; Mrs. Mable Gore — Sally Hemings by the Improvement Society; Miss Ann Riley — Mitchener's "Chesapeake" from friends. Other books are on order in memory of Mrs. Adelaide Herrick and Miss Ann Riley.

The iron door rail given in memory of E. Foster Knight by friends and neighbors was made and installed by Mr. VanHam.

We are always grateful to The Improvement Society for their gift of electricity and the subscription to the National Geographic. This year they had four new electric outlets added.

Grateful thanks go to Mr. Morison, Mr. Babson, Mr. Kimball, and Mr. Gore for their gifts of money.

Another addition this year was the telephone. The number is 654-6790.

The Friends of the Library took over the bill for the ceiling insulating.

Books passed over the desk were: 1,551 adult fiction, 436 non-fiction, 1,591 juvenile, 284 magazines, and 13 records.

The bookmobile made three visits, 595 of their books circulated.

To the 4,788 books of the library, 211 were added. 106 were juvenile and 105 adult. 84 of these were non-fiction and 61 were gifts. 17 magazines are available. 4 are gifts.

The Milford Cabinet comes regularly as a gift. 8 Hillstown meetings were attended and 1 book display.

The Memorial Day weekend, the Trustees held an open house at the library. Punch and cookies were served.

We are pleased the school classes and teachers visit us. The Kindergarten sees us by appointment as often as they wish.

The library hours remain Tuesday 1 to 8 and Thursday 1 to 6.

Respectfully submitted,

SABRA C. HAMEL

## REPORT OF HIGHWAY DEPARTMENT 1979

The TRA Project went well this year. Approximately three thousand dollars was spent, with the unexpended balance to be spent along with the 1980 TRA money. Heavy equipment was rented from Arthur Whitcomb, Inc., out of Keene. Blasting was handled by Daniels out of New Boston. One truck was hired from Skip Gomes. The rest of the equipment was owned by the town and operated by the Road Agent and hired personnel. The project was coordinated by the Road Agent.

Projects that were completed in the town under Duncan and Highway Subsidies money were: Curtis Brook Road, Putnam Hill, Cigar Box Corner on Mountain Road, and Beasom Hill. A program was started for the rebuilding of our dirt roads with good gravel, and some road widening took place. Milford Paving did an excellent job, and the quality will be reflected in the years to come.

Projects planned are sealing the tar roads, continuing of the TRA Project, the Turnpike, the bridge on Pettingill Hill, and few other small projects.

New equipment added to the Town: Cobra Radios. The intention was that for safety reasons as well as prompt action via quick communication warranted this purchase. They worked well, but because of such a mild year in snow pushing they did not come into a lot of use. Arco 225 Amp. Welder. This has paid for itself already in the fabrication of a plow frame. It is the right tool for doing normal maintenance work as well as those emergency breakdowns. A 1500 Gallon Diesel Tank. The tank was installed next to the gas tank. Also a small shelter was constructed over the pumps.

Most of the projects that were planned for 1979 were completed. Some maintenance on the John Deere took place, as well as a major replacement of the brake system on the Ford Truck. Oiling of roads will be a matter of discussion, considering the high cost of waste oil.

This year was an exceptional year in that no snow fell. It hasn't been this mild in recorded history. This kept the cost of normal winter maintenance to a minimum and helped in money matters. Two loads of salt and one sanding day to date was enough to get us by.

As you all know, the former Road Agent, Erwin Reynolds, left employment in July. The position was filled by Larry Boisvert II, a resident of the town for 20 years.

Respectfully submitted,

LAURENT BOISVERT II, Road Agent

## **WILTON-LYNDEBOROUGH AMBULANCE SERVICE**

### **Progress Statement December 1979**

Since the service was established in 1974, the volunteer attendants have embarked on a continuous program of training and equipment update. Some normal turnover of personnel has occurred. Job changes and moves from the community have taken their toll, but a small nucleus of attendants who were on the first crews are still involved.

Normally, a three- or four-man crew takes duty in twelve hour shifts. Of the thirty-nine attendants presently active, thirty-two are Emergency Medical Technicians; and seven are Advanced First Aid Trained. Aside from these basics, there are four registered and three licensed practical nurses on the roster.

The number of calls for the last year was: Wilton, 122; Lyndeborough, 37, and Mutual Aid, 4. These included everything from home illnesses to vehicular accidents.

For the past two years, the Ambulance has been saving gift money and bequests toward an ambitious goal -- the purchase of a Hurst Tool, otherwise known as the "Jaws of Life." This year the generosity of people whom the service has aided plus contributions from two private citizens has culminated in its order. Upon its arrival ambulance and fire personnel from Lyndeborough and Wilton will commence training sessions to learn how to operate this important piece of equipment. A concerned community is banding together for the protection, care, and treatment of its members.

## PLANNING BOARD REPORT FOR 1979

The Planning Board approved 7 subdivisions with a total of 15 lots during 1979, held Public Hearings for a Wetland District, and minor amendments to Zoning Ordinances, and continued work with the Sounding Board on a Master Plan.

The Sounding Board presented a Draft of a Master Plan to the Planning Board. We are continuing to use the "grass roots" approach, but are requesting monies in 1980 to have some professional help in preparing statistical data. A Draft Master Plan with supporting Maps and data will be formally presented to the Town during Public Hearings.

## CONSERVATION COMMISSION REPORT FOR 1979

In 1979 the Conservation Commission worked with the Town on an agreement with the Water Resources Board on the uses of the Putnam Dam area. This area is to be leased to the Town. A marker was put up by the Water Resources Board near the dam after consultation with us. One morning we spent walking over the area and agree that the Town is fortunate to be able to lease such a large area. The Townspeople already enjoy the large skating pond.

We have walked around the Purgatory Falls area and continue to work with Mont Vernon to keep it in its natural state.

This year we continued our negotiations with the Boy Scouts on their Rose Mountain land. We paid to have an appraisal made of the land so that we would be eligible for federal matching funds. At this time the land is being bought by private individuals. It is our hope to acquire it in the future. We have discussed with the prospective owners how the land could be used by the Townspeople and are confident of their cooperation.

In June we sent Mike Park to the conservation camp run by the Society for the Protection of New Hampshire Forests. The enthusiasm of the students we send reinforces our belief that this is a worthwhile project.

The coming year should be an interesting one as we will be actively engaged in the management of the Putnam Dam area. We meet on the second Monday of the month at Citizens Hall and would welcome your presence.

On Jan. 2, 1979 received a gift of 150 shares of National Medical Care.

On Dec. 3, 1979 received another 100 shares.

On Dec. 20, 1979 turned these shares over to Tucker, Anthony, and R. L. Day.

Their value at that time was approximately \$25 per share. The amount received for 37½ shares is to go to the J. A. Tarbell Library. The remainder is to go for the expenses incurred in acquiring the Boy Scout land.

As with everything else the cost of observing Memorial Day has increased last year. The expenses exceeded the Town appropriation by almost \$150.00. The appropriation for this year has been increased and hopefully will cover the expenses.

It has been suggested that Central Flag Poles be installed in the Center and South Cemeteries, in lieu of the individual flags. This is being considered for the next year in an effort to keep expenses down.

We regret that the school was unable to participate last year, and hope that they will be able to this year.

Respectfully submitted,

TOM MOREHOUSE, Secretary-Treasurer  
Lafayette Artillery Co.

## Superintendent of Schools Report

Carl E. Bowers

The School Year started with an enrollment of 98 pupils and two new part-time staff for 1978-79.

Mrs. Gail Pierson was employed as a Special Needs Teacher. Through bi-monthly meetings and with the aid of the Special Education Consortium, many children's needs were met within the school, thus eliminating the need to tuition them to other schools outside of the district.

Mrs. Patricia Woolson was elected to teach art, thus fulfilling the elementary need of the pupils and meeting the State Minimum Requirements. Mrs. Woolson's program was recognized by the Sharon Arts Center and a special citation was received by the school.

This has been a very busy school year for all of the staff as they have actively served on Curriculum Committees, taken workshops in Standard First Aid and CPR Training to better cope with emergencies that could arise at school and on educational field trips, and coordinating the curriculum with the elementary school thus making for a smoother transition to the Wilton-Lyndeborough Cooperative School.

The Parent Teacher Organization has continued to support the school in bringing the staff and parents closer together. Special activities were conducted during the year such as suppers, dances and special parent nights. The class trips to the Wallace Planetarium, Strawberry Banke, Boston Museum of Science and other field trips were made possible through this organization.

This report would not be complete without recognizing a very special person who has served the school for many years and become a friend of the teaching staff and especially each and every pupil who has attended the Lyndeborough Central School, none other than Mrs. Barbara M. Shinn.

In conclusion I am taking this opportunity to thank the Staff, School Board Members, and the Citizens for supporting an excellent school system.

### ANNUAL REPORT OF THE SCHOOL NURSE

1978-1979

The 1978-1979 school year was a generally healthy one for our students. We had another dramatic decrease in the number of throat cultures done, ten with no positives found. Parents have been increasingly responsive about keeping suspect children home. Also in sending explanatory notes of illness and Doctor's notes for any medication that needed to be administered during school hours.

In the fall, heights, weights, visual and audio screening were done on all students. If a child failed the audio-visual screening, he or she was re-screened at a later date and parents were notified of the problem. Fifteen Fourth Graders with parents' permission had physical examinations through the school physician's (Dr. Jeffries) Medic. Included were urinalyses and blood pressures along with the routine physicals. All were pronounced healthy at that time.

A pilot program to our area this year was the impedance testing program. This required two days attendance at an orientation program where nurses were taught how to test for middle ear impedance and record the results on special forms. The program included:

1. All youngsters in Grades 1-3 and any other students involved in special needs programs.
2. Those who had a suspected hearing problem that was not included in the above categories. Fifty students were screened and about 50% of these needed re-screening. Letters were sent to parents explaining the procedure, testing results and recommendations.

Our Dental Hygiene program was in late May and early June. About 75% of the students participated in this program, which consists of cleaning and the application of topical fluoride to the teeth.

Some Health Programs participated in are:

1. Attended a two day Workshop on Impedance Testing and conducted screening at Lyndeborough School.
2. Participated in Lazy Eye Clinic in Wilton as most of our prospective First Graders attend this clinic.
3. I participated in First Grade registration.
4. I attended the three presentations on Death Education and also the Parent meeting discussing the addition of this program to the curriculum.
5. Presented several health film strips and four films to appropriate classes. These A-V aids ranged from nutrition to the Cancer Society sponsored subjects.
6. Presentation of growth and development course for fifth and sixth grades which involves film strips, cassettes, booklets and discussions. Also held a special night for parents of students in the above grades to preview materials and discuss same. This was in conjunction with the W.E.S. Nurse as both schools were to view the same materials.
7. Received eight credits for two courses I took at New England College to keep current with Certification Requirements.

I have very much enjoyed this year with your children and appreciate the cooperation of parents, community and school staff. Over the 78-79 school year some thirty home visits were made. Most of these were telephone home visits due to the Nurse's allotted school time and parents' schedules.

I thank every one of you who worked toward the common goal of good health in the school.

Respectfully submitted,

JUDY COX, R.N., School Nurse

## Superintendent of Schools Report

Carl E. Bowers

The School Year opened with an enrollment of 345 students and the following six new staff members:

Mr. Michael J. Carter, Librarian (Resource Center)

Mr. Arthur W. Clough, Jr., Science

Mr. Gary M. Filiault, Mathematics

Mr. John B. Mann, Industrial Arts

Miss Cheryl A. Smith, Mathematics

Miss Ellyn Weinrich, Reading

Needless to say, when we have a two-thirds change in any one department, it certainly hurts the program. However, the changes were made for financial and personal reasons.

All during the year the School Board has been working on policies and procedures and in so doing has established five sub-committees to work in the following areas during the coming year.

Committee on Policies and Procedures

Committee on Administration and Budgets

Committee on Program of Studies

Committee on School Facilities

Some of the goals have already been achieved, such as a Program of Studies, Student Handbook and Teachers Handbook.

Some of the proposed objectives came about as a result of the recommendations in the Evaluation Report by the Visiting Committee on accreditation.

One of the important areas that we are working on at this time is the projection on facility needs over a five and ten-year span of time, especially, the Athletic Field, Landscaping, Energy Conservation and Building Facilities.

The usual maintenance of our facilities has been carried

on throughout the year and will continue as part of our preventive maintenance program.

Once again, with the cooperation of the local Fire Chief and the State Fire Marshal's Office, we have inspected the school and carried out their recommendations within the budget; other areas were taken care of in this present year. Every effort is being made to make sure our school is as safe as possible for all our students.

In conclusion, I am taking this opportunity to thank the Staff for a job well done in writing up the Program of Studies, the School Board for their support of programs that are being offered to our student population, and the Citizens of the Wilton and Lyndeborough Communities for their continued support in making this a good school for our youth.
